### Note:

This snack schedule is in addition to the MWF Snack Schedule you have. Please check both schedules for your designated dates.

Should you have any questions regarding any of the snacks, please see the attached sheet for the explanation of the particular snack and the amount needed.

For those families that were not assigned their full complement of snack days, we will ask you to bring in snack items the last week of school for use in Summer school. We will contact you in early June to let you know what to bring. These items will be shelf stable so you do not need to attend Summer School, and you will be able to bring them in the last week of the regular school year (June 5-9).
