Note:

Your child has been assigned to bring a birthday surprise on a day closest to his/her birthday. You will be given a "birthday" bag in which to bring the surprise that will be added to Cheerios and raisins (we provide these). Should you have any questions regarding any of the snacks, please see the Kathy for either the ingredients needed or explanation of the particular snack. Please make sure quantities can feed 36 children. See attached sheet for quantity suggestions.

For those families who were not assigned their full complement of snack days, we will ask you to bring in snack items the last week of school for use in Summer School. We will contact you in early June to let you know what to bring. These items will be shelf stable, so you do not need to attend Summer School, and you will be able to bring them in the last week of the regular school year (June 5 - 9).

The families are as follows:

Behncke - 2 days
Houssami -1 day
Howard - 4 days
